

BOARD ATTENDANCE AND PARTICIPATION

(Adopted March 16, 2011)

DCBF has a small Board, with only nine members including Board officers. Attendance and participation at Board and Committee meetings are essential for a strong Board and organization. For these reasons, the Board has adopted a policy on attendance and participation.

It is expected that Board members will attend all four quarterly and any special Board meetings in person.

Board members are expected to serve on at least one DCBF Committee, as assigned by the DCBF President. Board members are expected to attend scheduled committee meetings and to be actively involved in the work of committees.
